Haa... I almost suffocated.
What was that just now?
Let's go.
Pulls
Hey! I'm still in the middle of work!

What? You don't have to do this kind of lowly job anymore!
I already sent XiaoJiu to speak with your boss.
From today on, Lin Fan's contract is terminated. Three times the payment for breaching the contract has already been transferred to your account.
What...?!
Three times!
I'm sorry!
Sigh.
...Jin Lingfen! Can you stop doing things on your own?!
You messed up my list!

Come on!
Hey!
Let go!
Jerk!

Curls——
I've always thought her glasses were hideous. Replace them with contacts.
Also, apply some make-up to her.
Yes.
Satisfied——

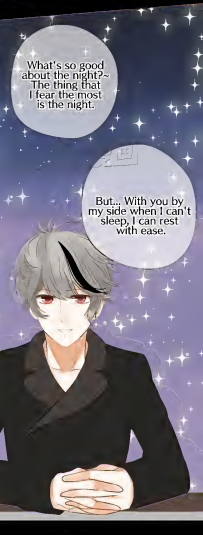
Come, I'll take you somewhere!

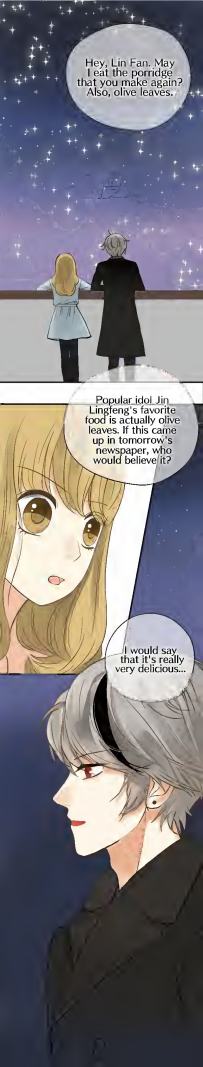
Jin Lingfen... this is also part of your house?
I bought it because it's convenient for me to go to school from here. Here, you can see the river's night view.

Hmm, the night is really... so beautiful.



What's so good about the night?- The thing that I fear the most is the night.
But... With you by my side when I can't sleep, I can rest with ease.

.....



Hey, Lin Fan. May I eat the porridge that you make again? Also, olive leaves.
Popular idol Jin Lingfeng's favorite food is actually olive leaves. If this came up in tomorrow's newspaper, who would believe it?
I would say that it's really very delicious...

When we are together.
Tonight is hazy-
Just like being on a dream-
I'm home-
BGM. Last night, the small building and east wind - Fei Yuqing

You and him... sure enough, are more than just rumors.
Didn't you know that he is a celebrity and is always under national surveillance?

来势凶猛

T/N: It says Jin Lingfeng, the new strength of the music idol industry is ferocious.

And you, are only an ordinary person.
Your worlds are destined to never cross!
.....

I'm sorry.

No matter what, I want you to be happy.
